Dear Chuck,

What a great job! The remodel of our Glaze Meadow golf shop turned out even better than we had envisioned. Our guests and property owners have been raving about the new shop all month. The fixtures, displays and counters are perfect. We are already starting to see an increase in sales and the season is just beginning.

Thank you to you and your staff for all of the extra effort put in to meet our needs. Your professionalism and creativity really showed through on this project. We also appreciate the flexibility in production and the custom work done to make our shop look unique and be operationally efficient.

I look forward to working with you on our possible Big Meadow golf shop remodel. Please let me know if I can serve as a reference for you in the future!

Sincerely,

JD Mowlds
Director of Golf
